- **Silver Medal** in Catavinum World Wine & Spirits Competition – Spain

### DESCRIPTION

- Traditional and partially organic. Manual harvesting in crates of 20 kg and careful selection manual of the grapes before processing them. It comes from the youngest plots of our vineyard, boosted with native yeasts that enhance their Galician DNA.
- Lenda our youngest Albariño came to the World to be shared between friends, highlight the youthful character that brings citrus fruit and its touch of acidity that makes it unique.
- The nose gives us aromas of stone and tropical fruits, combined with pleasant and very fresh citrus notes. The mouth is very friendly and fresh, with acidity well compensated by the roundness that gives it a pleasant aftertaste.
- The food pairing is sushi, white meat and great conversations.
