DESCRIPTION

- Godello is a one of the most prizes white varieties due to its quality and scarcity, since it is only found in Bierzo and in a part of Galicia. We develop a viticulture respectful and partially ecological.
- Strict and thorough selection of grapes in the vineyard. Manual harvest in boxes of 15 kg. After the fermentation process with our own yeasts, our godello undergoes careful aging on its fine lees for 6 months. Transmitting the terroir of the area through floral, mineral and ripe fruit aromas such as apple and quince.
- Yellow straw, with dense tears and good clearness. On the nose appears notes of fruits highlighting lemon, Williams pear, flowers also come out and an interesting note of white pepper. Sweet mouth, fresh, where fruits and flowers appear again, soft and fresh that makes it is soft pleasant to drink.
